prospectus was now being carried out with a vigour creditable alike to the mining staff and Mr Hughes. Attention was again being given to the Jalis Mine, the ore of which on crushing gave a result of fifteen pennyweights, of gold to the ton. He regretted that the report was not yet very favourable one. A letter had, however, been received from the managing secretary in which he communicated some very valuable information. Mr Hughes, under date of 22nd March last, wrote that it was

The report and statement of accounts were adopted. Thereafter the retiring members of the Board of Directors (Messrs Gillies and J. H. Lewis) and the auditor (Mr Fullerton Henderson) were re-elected.
